### **EDITORSHIP OF *THE REPORTER***

Professor Tony Bradney has indicated a wish to step down as the Editor of *The Reporter*. He has made a distinctive and distinguished contribution in this role for many years and the Society is very grateful to him for his work. *The Reporter* contains short articles, news of recent developments affecting legal education, reports of activities in law schools, announcements of forthcoming events and book reviews. The Editor writes or procures the writing of an editorial. *The Reporter* appears twice a year and there is a standing invitation for members to submit short articles to the Editor for possible inclusion. The Editor is ex officio a member of the Society's Council and of its Executive Committee. Further details can be found in a note on the Society's website prepared by Professor Bradney.

The Society invites expressions of interest from Members to take over this role. The aim is for Professor Bradney to prepare the Spring 2010 issue and help the new Editor to prepare the Winter 2010 issue. Any member interested who would like further information as to what is involved is invited to contact Professor Bradney ([a.bradney@law.keele.ac.uk](mailto:a.bradney@law.keele.ac.uk)). Formal expressions of interest should be submitted to the Hon Secretary ([stephen.bailey@nottingham.ac.uk](mailto:stephen.bailey@nottingham.ac.uk)) by email by Friday 26 February 2010. An expression of interest should indicate why the person is interested in the role, the skills and experience that would be brought to it and whether he or she would be minded to propose any changes to the structure and content of *The Reporter*. The Hon Secretary will also be happy to respond to informal inquiries. The appointment is made by Council. Expressions of interest will be considered by a small group appointed by the Executive, which will make a recommendation to Council. The appointment would be for a renewable term of three years.
