S·L·S
THE SOCIETY OF LEGAL SCHOLARS

PROFESSOR KIM VAN DER BORGHT

ASSOCIATE OVERSEAS MEMBER

JOINED 2002

Professor of International Economic Law & Diplomacy, Vrije Universiteit Brussel

WHY DID YOU JOIN THE SLS?

I joined the Society when I moved to an academic position at the University of Hull. As a new member of British academia, I found a ready and welcoming network in the Society. The Society offered opportunities to speak at conferences, find colleagues to work with on research of mutual interest. When I left the UK after 18 years, I remained a member to stay in touch with my colleagues in the UK but also engage in new ways of engaging with the Society and its members as an overseas member.

"Invaluable as a networking tool but also a gateway to academic and professional opportunities"

BENEFITS

I have met interesting colleagues, I've built professional relationship, I've been kept informed.
